5 in 10 Inclusive Dialogue Book Series

For COE Faculty, Staff & Graduate Students

Last year, the College of Education and the College of Criminal Justice began the Diversity Education Engagement Development & Support (DEEDS) Certificate Program by inviting faculty, staff, graduate students, and guests from other institutions to lead workshops on topics that are often not discussed. This 5 in 10 Inclusive Dialogue series is a continuation of that conversation in the College of Education.

This new 5 in 10 Inclusive Dialogue series includes a list of books that you may have seen on the banned books list or debated in the media as too political to use as part of K-12 school curricula. Let's have this open and honest conversation during our upcoming series in the spring. For additional information contact [Dr. Benita Brooks](#)

Volunteer presenters will receive a copy of book they sign up to present.

By signing up, you are agreeing to present the book at the designated time/date via Zoom.
