 - <https://www.nationalgeographic.org/activity/the-debate-over-globalization/>
- **Sustainable Development Goals**
 - **Video** – ‘We the People’ for the Global Goals (2:58)
 - In 2015, world leaders agreed to 17 Global Goals (officially known as the Sustainable Development Goals or SDGs). These goals have the power to create a better world by 2030, by ending poverty, fighting inequality and addressing the urgency of climate change. Guided by the Goals, it is now up to all of us, governments, businesses, civil society and the general public to work together to build a better future for everyone.

 - **Video** – Nations United: Urgent Solutions for Urgent Times (34:09)

- Nations United is a special, first of its kind film, created by the United Nations on its 75th Anniversary and to mark five years since the adoption of the Sustainable Development Goals. In the midst of a pandemic radically transforming our world, Nations United tells the story of the world as it is, as it was, and as it could be. It focuses on the solutions and action we need to tackle poverty, inequality, injustice and climate change.
