

CURRICULUM VITAE

Emalee Kiser, M.A.
Department of Psychology and Philosophy
Sam Houston State University
Huntsville, Texas 77341

EDUCATION

- Candidate** **Doctor of Philosophy (Clinical Psychology)**
Sam Houston State University
Dissertation: Understanding Adherence to Cognitive Behavioral Therapy (CBT) in Clinicians who Treat Eating Disorders: A Self-Determination Theory Approach
(Proposed: April 2021)
Advisor: Chelsea Ratcliff, Ph.D.
- May 2017** **Master of Arts (Clinical Psychology)**
Sam Houston State University
Thesis: The Implementation of Eating Disorder Education and Prevention Programs in High School
Advisor: Amanda Venta, Ph.D.
- Dec 2014** **Bachelor of Arts, Psychology (Summa Cum Laude)**
Texas A&M University – Kingsville
Honors Thesis: The Effect of Diet and Exercise Frequency on Respiratory Sinus Arrhythmia during the Tower of London Task
Advisor: Dana Byrd, Ph.D.

CLINICAL EXPERIENCE

June 2020 – Present **Practicum Student – Individual Evaluator**
Montgomery County Juvenile Probation Department
Conroe, Texas

- Responsibilities:*
- Conducted court-ordered and probation-referred psychodiagnostic assessments
 - Completed semi-structured interviews with minors and their legal guardians
 - Reviewed collateral information (i.e., education records, psychiatric reports, probation supervision reports, etc.)
 - Administered, scored, and interpreted measures assessing cognitive abilities, academic achievement, psychopathology, and personality
 - Authored integrated reports of clinical findings and recommendations to assist the court in placement and supervision decisions

Population: Ethnically diverse, justice-involved youth either detained or on probation

Supervisor: Darryl Johnson, Ph.D.

August 2019 – Present

Protocol Therapist

Project: Couples Based Meditation Study
Sam Houston State University – Huntsville, Texas

Responsibilities: • Conducted couples therapy based in mindfulness, compassion, gratitude, and purposefulness, in person and over telehealth platforms

Population: Ethnically diverse couples who have cohabitated together for at least six months

Supervisor: Chelsea Ratcliff, Ph.D.

August 2019 – Present

Protocol Therapist

Project: A randomized controlled trial of a brief behavioral intervention for distressed patients undergoing surgery for gastrointestinal cancer
Baylor College of Medicine – Houston, Texas

Responsibilities: • Conducted interventions to distressed medical patients in the week before undergoing an invasive cancer-related surgery
• Utilized a variety of mindfulness, self-care, and medical-related skills in a psychoeducation circumstance
• Processed the stress and thoughts leading up to the patients' surgeries

Population: Ethnically diverse patients who are suffering from colorectal and gastrointestinal cancers

Supervisor: Chelsea Ratcliff, Ph.D.

January 2019 – Present

Practicum Student-Individual Evaluator

Psychological Services Center
Sam Houston State University – Huntsville, Texas

Responsibilities: • Conducted court-ordered and probation-referred psychodiagnostic assessments on juveniles from surrounding counties
• Completed semi-structured interviews with minors and their legal guardians
• Reviewed collateral information (i.e., education records, psychiatric reports, probation supervision reports, etc.)
• Administered, scored, and interpreted measures assessing cognitive abilities, academic achievement, psychopathology, and personality
• Authored integrated reports of clinical findings and recommendations to assist the court in placement and supervision decisions
• Conducted certification evaluations of juveniles to transfer to criminal court

Population: Ethnically diverse, justice-involved youth

Supervisor: Darryl Johnson, Ph.D.

August 2018 –

Practicum Student-Individual Therapist & Evaluator

Present

Psychological Services Center
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Provided individual evidence-based interventions to adolescents, adults, and families including Acceptance and Commitment Therapy (ACT), Cognitive Behavioral Therapy (CBT), components of Dialectical Behavioral Therapy (DBT), Motivational Interviewing (MI), and supportive counseling
 - Conducted intake evaluations and authored intake reports
 - Formulated detailed treatment plans and monitored treatment goals
 - Engaged in suicide risk assessment and prevention
 - Conducted comprehensive assessments utilizing methods such as clinical and collateral interviews, intelligence and achievement testing, personality testing, and neuropsychological testing
 - Authored comprehensive, integrated reports
 - Communicated assessment results and recommendations to clients

Population: A diverse, low-income, multi-ethnic population of children, adolescents, and adults with diagnoses including serious mental illness, substance use history, mood and anxiety disorders, personality disorders, family, and academic stress

Supervisors: Jaime Anderson, Ph.D.; Craig Henderson, Ph.D.; Darryl Johnson, Ph.D.; Chelsea Ratcliff, Ph.D.; David Nelson, Ph.D.; Tiffany Russell, Ph.D.; Jorge Varela, Ph.D.

**May 2019 –
June 2020**

Clinic Coordinator
Psychological Services Center
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Coordinated client care during the Coronavirus Disease 2019 (COVID-19) pandemic, including scheduling clinicians, telephone wellness checks, general telephone check-ins, and maintenance of waitlist calls
 - Conducted telephone wellness checks and general telephone check-ins to a variety of low- and high-risk clients during the COVID-19 pandemic
 - Completed telephone intake interviews of potential clients and managed waitlists and clinical case assignments
 - Led weekly meetings of clinicians and supervisors to assign cases and facilitate group discussion of clinical/ethical issues and mediated clinic concerns between student clinicians, staff, and supervisors
 - Facilitated and arranged services from outside referral agencies
 - Supervised peers in clinic policy, procedure, and record-keeping and conducted Quality Assurance reviews of clinic case files semesterly

Population: A diverse, low-income, multi-ethnic population of children, adolescents, and adults with diagnoses including serious mental illness, substance use, mood and anxiety disorders, personality disorders, and life stress

Supervisor: Mary Alice Conroy, Ph.D., ABPP

**January 2017 –
March 2018** **Behavioral Health Counselor**
Partial Hospitalization/Intensive Outpatient Program
Eating Recovery Center – The Woodlands, Texas

- Responsibilities:*
- Conducted group therapy with adolescents and adults utilizing evidence-based interventions such as CBT, DBT, and ACT
 - Conducted ongoing, daily assessments of medical/mental status on all patients
 - Assisted with meal support by modeling appropriate eating behaviors, monitoring and assessing patients' intake, and distributing supplements when needed
 - Constructed curriculum for the adolescent and adult groups

Population: Child, adolescent, and adult patients diagnosed with severe eating disorders and other diagnoses including substance use, psychotic disorders, mood and anxiety disorders, and personality disorders

Supervisors: Deborah Michel, Ph.D. Certified Eating Disorder Specialist (CEDS), Brittany Gilcrest, M.A. LPC CEDS, Erika St. Germaine, M.A. LPC NCC

**January 2017 –
May 2017** **Master's Practicum Student – Individual Therapist**
Counseling Center
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Provided individual evidence-based interventions to adults including ACT, CBT, components of DBT, MI, and psychodynamic therapy
 - Conducted intake evaluations and authored intake reports
 - Formulated detailed treatment plans and monitored treatment goals
 - Engaged in suicide risk assessment and prevention
 - Conducted coping skills group therapy with university students

Population: Ethnically diverse, adult college students with a variety of mental health concerns

Supervisor: Annie Mathew, Psy.D.

**August 2016 –
December 2016** **Master's Practicum Student – Co-Group Therapist**
Partial Hospitalization/Intensive Outpatient Program
Eating Recovery Center – The Woodlands, Texas

- Responsibilities:*
- Co-led group therapy with adolescents and adults
 - Collaborated with behavioral health counselors and individual therapists to prepare materials for group therapy
 - Assisted with meal support

Population: Child, adolescent, and adult patients diagnosed with severe eating disorders and other diagnoses including substance use, psychotic disorders, mood and anxiety disorders, and personality disorders

Supervisors: Deborah Michel, Ph.D. Certified Eating Disorder Specialist (CEDS), Brittany Gilcrest, M.A. LPC CEDS, Erika St. Germaine, M.A. LPC NCC

SUPERVISORY EXPERIENCE

August 2019 – Present **Peer Research Mentor**
Integrative Health Lab
 Department of Psychology and Philosophy
 Sam Houston State University – Huntsville, TX

Responsibilities:

- Supervised undergraduate, Master-level, and Doctoral-level students under the supervision of a licensed staff psychologist
 - Met regularly for lab meetings
 - Reviewed data entry, transcriptions, and other lab work products
 - Reviewed and provided feedback on project design, conference presentations, and manuscripts

Supervisor: Chelsea Ratcliff, Ph.D.

September 2020 – May 2021 **Research Project Mentor**
Advanced Placement Capstone: Research
 Carnegie Vanguard High School – Houston, Texas

Responsibilities:

- Facilitated supervision sessions with a high school student by acting as an expert advisor for the student’s chosen research topic of body image and disordered eating
- Assisted the student in narrowing the focus and scope of their topic, identifying a gap in current research, assessing the feasibility of the topic, and selecting and ethically using research methodology.
- Provided feedback and background information on a variety of research-based questions

August 2019 – May 2020 **Peer Clinical Supervisor**
Capstone Practicum (PSCY 8382)
 Department of Psychology and Philosophy
 Sam Houston State University – Huntsville, TX

Responsibilities:

- Co-supervise junior doctoral student providing psychotherapy and conducting psychological assessments in community clinic
- Co-facilitated supervision sessions with a licensed psychologist
- Reviewed session videos with supervisee and provided feedback related to interviewing and therapy techniques

- Review and provide feedback on progress notes, treatment plans, and clinical reports

Supervisor: Jorge Varela, Ph.D.

**June 2019 –
August 2020**

Peer Clinical Supervisor

Introduction to Doctoral Practicum Course (PSYC 8381)
Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Co- facilitated supervision sessions of first year doctoral students with clinic director
 - Reviewed mock therapy session videos with supervisees
 - Served as mock therapy client for students practicing suicide risk assessments
 - Provided feedback on basic counseling skills

Supervisor: Mary Alice Conroy, Ph.D., ABPP

TEACHING EXPERIENCE

March 2019

Invited Guest Speaker

Doctoral-Level Practicum II Course (PSYC 8383)
Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Lectured on eating disorder treatment topics, including diagnoses, working on a multidisciplinary team, levels of care, and evidence-based treatments

Supervisor: Chelsea Ratcliff, Ph.D.

February 2019

Invited Guest Speaker

Introduction to Philosophy (PHIL 1301)
Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Lectured on self-care and stress management and facilitated discussion regarding healthy, alternative coping strategies

Supervisor: Kate Stockdale, Ph.D.

September 2018

Invited Guest Speaker

Introduction to Psychology (PSYC 1301)
Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:* • Lectured on eating disorder topics including a comprehensive case conceptualization of an eating disorder patient, presentations and symptoms utilizing the DSM-5 diagnoses, treatment course, and outcome data

Supervisor: Chelsea Ratcliff, Ph.D.

October 2016

Invited Guest Speaker

Introduction to Psychology (PSYC 1301)

Department of Psychology and Philosophy

Sam Houston State University – Huntsville, Texas

- Responsibilities:* • Lectured on eating disorder topics including a comprehensive case conceptualization of an eating disorder patient, presentations and symptoms utilizing the DSM-5 diagnoses, treatment course, and outcome data

Supervisor: Jorge Varela, Ph.D.

INVITED PRESENTATIONS

Kiser, E., (2020). Eating Disorders: An Introduction. Invited presentation for licensed mental health clinicians at Texas CAN Academy by Oscar Montoya, LCSW, Manager at Texas CAN Academy, San Marcos, TX.

RESEARCH EXPERIENCE

August 2017 – Present

Graduate Research Assistant

Integrative Health Lab

Department of Psychology and Philosophy

Sam Houston State University – Huntsville, Texas

- Responsibilities:* • Provided research support through data collection and manuscript development for tenure-track psychology faculty member
- Mentored undergraduate students through the development of a research question, data analysis, and presentation of data

Supervisor: Chelsea Ratcliff, Ph.D.

November 2020 – Present

Principal Investigator (*Dissertation Research*)

Understanding Adherence to Cognitive Behavioral Therapy (CBT) in Clinicians who Treat Eating Disorders: A Self-Determination Theory Approach

Department of Psychology and Philosophy

Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Developed a project examining the associations between work-place characteristics and clinicians' adherence to CBT skills while treating individuals with eating disorders
 - Collected data from mental health clinicians through an online survey
 - Will author a full-length manuscript for publication

Supervisor: Chelsea Ratcliff, Ph.D.

November 2018 – Present **Co-Investigator**
Body Focused Repetitive Behaviors in College Students
 Department of Psychology and Philosophy
 Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Assisted in the developing of a project examining the associations between body focused repetitive behaviors and other behaviors, such as disordered eating, substance use, emotional regulation, and mindfulness
 - Managed data cleaning, scoring, and analyzing
 - Authored a full-length manuscript under review for publication

Supervisor: Chelsea Ratcliff, Ph.D.

August 2018 – August 2019 **Project Coordinator**
Behavioral Intervention for Wellness and Engaged Living (Be-WEL)
 Baylor College of Medicine – Houston, Texas
 Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Managed participant recruitment from surgical oncology clinics at Baylor College of Medicine
 - Conducted distress screening, baseline, and outcome assessments
 Coordinated communication between research team and the surgical oncology clinic team
 - Provided supervision to undergraduate and graduate research assistants
 - Assisted in managing data entry by undergraduate students

Supervisor: Chelsea Ratcliff, Ph.D.

December 2015 – May 2017 **Graduate Research Assistant**
Youth & Family Studies Lab
 Department of Psychology and Philosophy
 Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Provide research support through data collection and manuscript development for tenure-track psychology faculty member
 - Mentor undergraduate students through the development of a research question, data analysis, and presentation of data

Supervisor: Amanda Venta, Ph.D.

**January 2016 –
May 2017** **Principal Investigator (*Thesis Research*)**
The Implementation of Eating Disorder Education and Prevention Programs in High Schools

Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Developed a project examining the implementation of eating disorder curriculum in high schools and explored whether characteristics of the school influenced implementation
 - Authored full-length manuscript and successfully defended Master's thesis
 - Authored conference submission and poster presentation

Supervisor: Amanda Venta, Ph.D.

**August 2013 –
May 2015** **Undergraduate Research Assistant**
Cognitive Psychophysiological Lab
Department of Psychology and Sociology
Texas A&M University - Kingsville – Kingsville, Texas

- Responsibilities:*
- Conducted literature reviews for ongoing projects
 - Data entry and quality control for project examining executive functioning in college students
 - Assisted in data collection by utilizing electrocardiograms and electroencephalograms
 - Formulated unique sequences used in the Tower of London Task
 - Trained undergraduate research assistants in data collection

Supervisor: Dana Byrd, Ph.D.

**August 2013 –
May 2015** **Principal Investigator (*Honor's Thesis Research*)**
The Effect of Diet and Exercise Frequency on Respiratory Sinus Arrhythmia during the Tower of London Task

Department of Psychology and Sociology
Texas A&M University - Kingsville – Kingsville, Texas

- Responsibilities:*
- Developed a project examining the effect of college athletes' diet and exercise on their heart rate and breathing during an executive functioning task
 - Assisted in data collection by utilizing electrocardiograms and breathing monitors
 - Authored manuscript and successfully presented Honor's thesis
 - Authored conference submission and poster presentation

Supervisor: Dana Byrd, Ph.D.

--------------------	--

PROFESSIONAL SERVICE AND LEADERSHIP

July 2020 – Present	Vice President <i>Graduate Student Psychology Organization</i> Department of Psychology and Philosophy Sam Houston State University – Huntsville, Texas
----------------------------	---

- Responsibilities:*
- Contacted outside agencies for support and for hosting events
 - Researched possible yearly presenters
 - Organized social outings and community service events and coordinate with the master's Vice President
 - Participation in two full-day leadership seminar

August 2020	Student Panelist <i>Doctoral/Master's Program Student Panel</i> Department of Psychology and Philosophy Sam Houston State University – Huntsville, Texas
--------------------	--

- Responsibilities:*
- Represented the doctoral program and master's program

- Answered questions from incoming master's and doctoral students in the school, general, and clinical psychology programs

**August 2019 –
August 2020**

Student Representative

Clinical Psychology Doctoral Program
Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Coordinated program functioning during the COVID-19 pandemic, including conducting weekly faculty and program meetings and informing students of updates within the program
 - Collaborated with faculty, students, and other professionals to streamline the program's transfer to virtual services
 - Attended weekly faculty meetings to serve as the student liaison
 - Recorded meeting minutes and disseminated information to the student body
 - Organized, disseminated, and communicated annual program review feedback from students to faculty and vice versa
 - Coordinated interview weekend for potential doctoral students
 - Created student and faculty interview schedules
 - Organized meals during and after formal interviews
 - Scheduled city-wide apartment tours
 - Coordinated student-led travel to and from airport
 - Assigned interviewees to graduate student housing
 - Organized New Student Orientation for the incoming cohort of doctoral students

**August 2019 –
August 2020**

Peer Mentor

Clinical Psychology Doctoral Program
Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Facilitated the transition into graduate school for incoming doctoral students
 - Coordinated monthly meetings with mentees

August 2019

Student Panelist

Doctoral/Master's Program Student Panel
Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Represented the doctoral program and master's program
 - Answered questions from incoming master's and doctoral students in the school, general, and clinical psychology programs

**January 2017 –
May 2017**

Graduate Student Liaison

Master's Program in Clinical Psychology
Department of Psychology and Philosophy
Sam Houston State University – Huntsville, Texas

- Responsibilities:*
- Contacted new students to facilitate the transition into graduate school for incoming students
 - Organized and conducted orientation meetings with the new students
 - Collaborated with faculty, students, and other professionals to coordinate the new students' entrance to the program

**January 2014 –
July 2014**

President

Psi Chi, the International Honor Society in Psychology
Department of Psychology and Sociology
Texas A&M University - Kingsville – Kingsville, Texas

- Responsibilities:*
- Conducted regular meetings for the entire chapter, including members, officers, and faculty
 - Organized community service, fundraising, and social events
 - Contacted and organized yearly speakers
 - Participation in two full-day leadership seminar

**August 2013 –
December 2013**

Vice President

Psi Chi, the International Honor Society in Psychology
Department of Psychology and Sociology
Texas A&M University - Kingsville – Kingsville, Texas

- Responsibilities:*
- Assisted the president in conducting regular meetings for the entire chapter, including members, officers, and faculty
 - Contacted outside agencies to coordinate community service, fundraising, and social events
 - Served as program chair for the chapter and organized advertisement for all local events to ensure they were properly publicized
 - Assisted the secretary in preparing a brief report of chapter activities to send to the Central Office each year.
 - Participation in two full-day leadership seminar

**January 2013 –
August 2013**

Secretary

Psi Chi, the International Honor Society in Psychology
Department of Psychology and Sociology
Texas A&M University - Kingsville – Kingsville, Texas

- Responsibilities:*
- Recorded the minutes for each meeting
 - Updated a comprehensive list of all members in the chapter

- Maintained all records and documents of the chapter
- Notified all members and advisors of the place and time of meetings, elections, inductions, and other chapter activities

**January 2012 –
May 2012** **Undergraduate Student Recruiter**
Honors College
Texas A&M University - Kingsville – Kingsville, Texas

Responsibilities: • Recruited for Texas A&M University - Kingsville and the Honor's College by speaking with potential students and their families
