(2018, November) *How do interpersonal trauma experiences during childhood and adulthood impact self-harm rates in individuals with eating disorders?* Poster accepted for presentation at the 34th annual meeting of the International Society for Traumatic Stress Studies, Washington DC.

Relevant Research Experience

Clinical Neuroscience Lab at Case Western Reserve University, Cleveland, OH

Full-time Lab Manager, October 2019 – present

Supervisor: Sarah Hope Lincoln, Ph.D.

- Administered and scored various psychological assessments including the Wechsler Abbreviated Scale Intelligence, 2nd Ed. (WASI-II), the Structured Clinical Interview for DSM-IV (SCID), the Mini International Neuropsychiatric Interview (MINI), the Structured Interview for Psychosis-Risk Syndromes (SIPS), the Global Assessment of Functioning (GAF), and the High Risk Social Challenge task (HiSoc task)
- Coordinated and supervised daily lab operations including, but not limited to, scheduling weekly lab meetings, maintaining up-to-date records in Box, and delegating various lab tasks

- On-boarded new undergraduate research assistants, including issuing COI disclosures, adding individuals to IRBs, and ensuring CITI training completion
- Mentored undergraduate research assistants and ran trainings on Redcap and psychological assessments, including the Wechsler Abbreviated Scale Intelligence, 2nd Ed Vocabulary and Matrix Reasoning subtests and the High Risk Social Challenge task (HiSoc task)
- Assisted supervisor and other lab members in organizing, submitting, and revising IRB protocols
- Conducted phone screens and in-person interviews with individuals at clinical high risk for psychosis, as well as healthy controls
- Recruited for online studies via a variety of social media platforms including NextDoor, Reddit, Facebook, Craigslist, and other mental health forums
- Routinely entered survey instruments into Redcap and managed data collected
- Collaborated with team members and supervisor on writing and revising manuscripts
- Frequently utilized SPSS software to perform data analysis for poster presentations and publications

University of Akron Department of Sociology, Akron, OH

Volunteer Research Assistant, August 2018 – April 2019

Supervisor: Stacey Nofziger, Ph.D.

- Performed literature searches on self-control and offending over the life course
- Entered, managed, and analyzed a large longitudinal data set in SPSS
- Assisted in writing, editing, and revising a manuscript to prepare it for submission
- Met weekly with principal investigator to discuss updates

Neurodevelopment Research Lab at Case Western Reserve University, Cleveland, OH

Volunteer Research Assistant, May 2018 – October 2019

Supervisor: Anastasia Dimitropoulos, Ph.D.

- Coded videos of children with Prader-Willi Syndrome (PWS), autism, and typical development using the Affect in Play Scale – Preschool Version (APS-P) scoring protocol
- Coded videos of children with PWS, autism, and typical development with their parents using the Parent Child Interaction (PCI) scoring protocol
- Scored various child development assessments including the Vineland Behavior Scale, the Social Skills Improvement System, and FACE tasks
- Aided in developing a measure of fidelity for telehealth behavior interventions for children with PWS
- Utilized Excel and SPSS for data analysis for a poster to be presented at APA 2019
- Conducted literature searches and worked in a collaborative team environment

Senior Capstone Project at CWRU, Cleveland, OH

January 2018 – May 2018

Supervisor: Anastasia Dimitropoulos, Ph.D.

- Independently completed a comprehensive review of the literature on implicit racial bias in police officers
- Conducted literature searches for empirical evidence that African American citizens tend to be disproportionately targeted by police
- Met with class and advisor twice a week to collaborate as a team, discuss findings, and peer review papers

The Emily Program, Beachwood, OH

Research Practice Integration Assistant, August 2017 – May 2018

Supervisors: Caitlin Martin-Wagar, Ph.D. & Kelly Bhatnagar, Ph.D.

- Administered, scored, and interpreted client assessments in Qualtrics
- Followed up with clients via phone and email
- Continually updated census information using comprehensive Excel database
- Utilized SPSS to enter/code client demographic data

- Performed literature searches on personal growth initiative and clinical outcomes in clients with eating disorders

Cleveland Clinic Center for Behavioral Health, Cleveland, OH

Volunteer Research Assistant, February 2017 – August 2017

Supervisor: Amit Anand, M.D.

- Utilized SPM software to analyze fMRI brain images of individuals with depression and bipolar disorder as they performed a go/no-go task
- Compiled and analyzed images and patient information to ensure quality of results and entered data into Excel spreadsheets
- Investigated different data analysis techniques to be used and their functions

Teaching Experience

Case Western Reserve University Biology Department, Cleveland, OH

Biology Lab Undergraduate Teacher's Assistant, August 2016 – December 2017

- Oversaw and assisted students in carrying out various biology labs in an efficient manner
- Worked with lab supervisor to prepare specimen and equipment for labs
- Attended biweekly meetings to review procedures proper lab protocols

Competencies

Data Analysis

Survey Software

Clinical Assessments

SPSS • Microsoft Excel

Redcap • Qualtrics

MINI • SCID • WASI • GAF • SIPS • SSPA • HiSoc Task
