

Dr. Darren Williams, Professor for the SHSU Department of Chemistry, has been selected as the 2020 SWRM recipient of the P3 Award for outstanding partnerships to contribute to the broader impacts of the American Chemical Society (ACS).

The Partners for Progress and Prosperity (“P3”) Award was established to encourage and recognize successful and exemplary partnerships among industry, academia, government, small business and/or other organizations. It is awarded to partnerships that result in impactful outcomes in one or more of the following categories:

- Improving the public perception and appreciation for chemistry
- Promoting career advancement opportunities and/or supporting entrepreneurship in the chemistry enterprise
- Advancing advocacy efforts with government and other thought leaders
- Supporting STEM (Science, Technology, Engineering & Mathematics) education and/or research

Dr. Williams received this award for his outstanding partnership with BFK Solutions in California to meet the needs of the industrial and manufacturing industries’ educational needs in precision cleaning.
