Congratulations on your retirement, Dr. Knox!

JOIN US for the 2022 Children's Festival, November 12-13

The SHSU Charter School will be hosting a sponsorship booth at the 2022 Children's Festival to showcase our school to prospective families seeking a choice school. We want as many of our Bearkats to attend the event; show your school spirit by wearing **orange** and **blue** to the event!

We still need VOLUNTEERS to supervise the booth and talk to prospective parents about what makes our schools so special. Parents are our best recruiters! All volunteers will receive a complimentary admission ticket for each hour they volunteer. Sign up using the QR code here:
