SHSU ALMA MATER

Hail to Sam Houston,
School we love best,
Mighty in battle,
True to the test.
Barkats so loyal,
Ever we'll be.
Orange and white will lead
Us to victory!

Hail, Alma Mater
Hats off to you,
Ever you'll find us
Loyal and true;
Firm and undaunted,
Ever we'll be,
Here's to the school we love
Here's a toast to thee.

*First verse sung at August 9, 2003 commencement
by composer Allen R. Hightower III. Second verse,

MESSAGE FROM THE PRESIDENT

Dear Graduate,

Congratulations on behalf of the Sam Houston State University faculty, staff, and administration. You are now alumni, and we are delighted you will represent your University in your careers of choice and in your communities. No doubt you have had many opportunities here, and I am looking forward to seeing how you will use what you learned and experienced to meet the challenges and opportunities of the future.

Sam Houston State University is privileged to serve a diverse student population, including military-affiliated students, first-generation students, and non-traditional students. Sam Houston is committed to promoting a campus that embraces diversity and inclusion. Each student brings a different story and perspective, which enrich us all.

Our University motto is emblazoned on a wall in The Yard (formerly Bearkat Plaza), but more importantly, it is visible in how you, the Bearkats we are recognizing today, live your lives. Our motto, "The measure of a Life is its Service," provides a meaningful standard by which we can evaluate ourselves as people of purpose who provide value to others. You put the motto in action when you volunteered your time and energy on and off campus, in support of organizations and causes you value.

Today we celebrate you. We celebrate your accomplishments and triumphs. You have demonstrated your ability to overcome challenges and accomplish your goals. You will always have opportunities to add value by engaging in your communities, and I am confident you will do so in ways that will make the world a better place and bring pride to your alma mater.

Many important people supported you on your educational journey. Your family members, friends, mentors, faculty, and staff are applauding for you as you reach this milestone, and I celebrate your achievements with them.

Once a Bearkat, always a Bearkat. And today the entire Bearkat family—*tu familia*—celebrates your achievement. *iFelicidades!*

Sincerely,

A handwritten signature in cursive script that reads "Alisa White".

Dr. Alisa White

COMMENCEMENT **SPEAKER**—MAY 12

Mac Woodward was raised in Huntsville and has spent almost all of his seven-plus decades living in his hometown. His service to the community and SHSU is almost as lengthy; as a banker, SHSU

employee, City Council member, mayor, and board member of many charities, Woodward has made his community a better place.

Woodward attended SHSU, where he met his wife, Leanne, who taught in public schools for almost three decades. They have two children, Wilbourn and Anne, and two grandchildren, Walter and Thomas.

After earning a bachelor's degree in history from SHSU, and a master's degree from the University of Houston, Woodward began work at the Sam Houston Memorial Museum, where he combined his passions of history, studying Sam Houston's life and legacy,

and service to the public. He worked as a historical interpreter, curator of collections, and director of the museum before retiring in 2021. In 2019, Woodward received the Regents' Staff Excellence Award by the Board of Regents of The Texas State University System and in February 2022, he was named to the Sam Houston State University College of Humanities and Social Sciences Wall of Honor.

In the civic realm, he served nine years on City Council, the longest tenure of any official in the past half century. In addition, Woodward served two terms as mayor. During his tenure, he spearheaded successful efforts to triple the size of the public library, preserve water rights for the next 25 years, and expand fire services to the entire town.

Woodward has also been active on government committees, non-profits, and other boards. He has served on the boards of the Boys and Girls Club, the Rita B. Huff Humane Society, Parks and Recreation, Oakwood Cemetery, the Samuel Walker Houston Museum and Cultural Center, the 1836 Project, and the management committee of Gibbs Brothers and Company.

COMMENCEMENT **SPEAKER**—MAY 13

Dr. Harrison Keller is the Commissioner of Higher Education for the State of Texas. He is a sixth-generation Texan with more than two decades of experience in educational budget

and policy, digital learning, senior university administration, management, fund raising, and building effective coalitions among school districts, community colleges, universities, systems, and policymakers.

Dr. Keller's appointment as the sixth Commissioner of Higher Education and chief executive officer for the Texas Higher Education Coordinating Board was effective October 1, 2019.

Dr. Keller is a recognized innovator in policy and programs to improve college readiness and student success, especially for low-income and first-generation students. He is the founder and

was Principal Investigator of the OnRamps dual enrollment initiative that provides college-level courses to tens of thousands of high school students across the state of Texas, and the Texas OnCourse initiative that works with Governor Greg Abbott's Tri-Agency Workforce Initiative to improve secondary college and career advising across the state.

He came to the Coordinating Board from The University of Texas at Austin, where he was Deputy to the President for Strategy and Policy and a Professor of Practice. Dr. Keller also served at UT Austin as Vice Provost for Higher Education Policy and Research, and Executive Director of the Office of Educational Innovation and the Center for Teaching and Learning. Prior to coming to UT Austin, Dr. Keller was Director of Research for the Texas House of Representatives and Senior Education Advisor for the Speaker of the Texas House.

Dr. Keller has taught at Georgetown University, St. Edward's University, and the University of Texas at Austin. He holds a bachelor's degree in philosophy from the University of Notre Dame and a M.A. and Ph.D. in philosophy from Georgetown University. He and his wife, Gena Nivens Keller, live in Austin with their three children.

COMMENCEMENT **SPEAKER**—MAY 14

Donna N. Williams is a vice president and program manager for the Parsons Transportation Group, Inc., a subsidiary of the Parsons Corporation, a global engineering

and construction leader in facilities, advanced technology, and management processes. She has 35 years of program and project management, business development, and engineering design and construction experience in both government and private sectors.

Mrs. Williams manages two program management support contracts, valued over \$96 million dollars, with the City of Houston in support of the Houston Airport System, one of North America's largest public airport systems. The contracts provide project management support services for several billion-dollar capital improvement programs designed to modernize and expand several facilities on all three airports.

Texas Governor Greg Abbott appointed Williams, and the Texas Senate confirmed, to The Higher Education Coordinating Board of Directors (March 2018) and Vice Chair (2021).

Former Texas Governor Rick Perry appointed, and the Texas Senate confirmed, Williams to the Texas State University Board of Regents, she chaired the search committee leading to the selection of the current chancellor, served two terms as vice chairman of the board (2011 & 2012) and chairman of the board (2013 & 2014) and she served on other significant initiatives of both former Governor Perry and Lieutenant Governor David Dewhurst.

Former President George W. Bush nominated, and the United States Senate confirmed her as a Director of the Corporation for National and Community Service (2003-2006).

Williams is involved in many civic, public interest and professional associations, including the Laura W. Bush Institute for Women's Health National Board of Directors, the Parsons Federal Credit Union (board member), the Texas State University System Foundation (board member), the Texas Higher Education Foundation (board member), the Arlington Alumnae Chapter of Delta Sigma Theta Sorority, the Dallas African American Museum (board member) and the Justin F. Kimball High School Academy of Hospitality and Tourism (former board chairman).

She has received numerous city, state and national accolades for her work, including: The City of Houston's Champions of Diversity Professional Services Contractor of the Year honoree (2019). The US Black Engineer & Information Technology Magazine recognized Williams as One of the 100 Most Important Blacks in Technology (2006). She was featured in Eclipse Magazine's Tribute to "2008 Women That Mean Business"; she received the Women's Transportation Seminar for the Greater Dallas/Fort Worth Chapter's "Woman of Inspiration" award (2002); named a Prairie View A&M University Distinguished Alumni; served on the Corporation's Leadership Council (1999); and received the Parsons' "Engineer of the Year" award (1993).

Williams received a Bachelor of Science in mechanical engineering from Prairie View A&M University (1982); she and her best friend, The Honorable Michael L. Williams, former Texas Railroad Commissioner and former Texas Education Commissioner, and current Distinguished Leader in Residence at the University of North Texas at Dallas, celebrate 37 years of marriage.

ACADEMIC REGALIA

The academic costume worn at official functions today originated in the Middle Ages, when a warm gown and hood were useful to university scholars and clerics in unheated buildings. Through the years, the growth in the number of universities caused confusion about the proper regalia so a Code on Academic Costume was established. Today, The American Council on Education reviews and updates these traditions.

The four-sided mortarboard is recommended for both men and women. The cap is always black and should match the material of the robe.

Gowns are generally black. The bachelor's gown is simple, with long pointed sleeves. The master's gown will have either long sleeves with narrow wrist opening or long sleeves with the hand emerging from the sleeve at elbow length. The doctor's gown is fullest in cut with velvet panels down the front and around the neck, as well as three velvet bars on the bell-shaped sleeves.

Length of the hood represents degree level: the master's hood is three and one-half feet long and the doctor's hood is four feet long. The velvet trim on the edge of the hood is three inches wide for the master's degree and five inches wide for the doctor's degree. The color indicates the field of study. A color or pattern between the trim indicates the university awarding the degree.

HOOD TRIM COLORS INDICATE THE FOLLOWING FIELDS:

MAIZE	AGRICULTURE
WHITE	ARTS, LETTERS, HUMANITIES
DRAB	COMMERCE, ACCOUNTING, BUSINESS
LILAC	DENTISTRY
COPPER	ECONOMICS
LIGHT BLUE	EDUCATION
ORANGE	ENGINEERING

UNIVERSITY MACE

The University Mace is symbolic of the authority of the Board of Regents, The Texas State University System, and the Office of the President of Sam Houston State University. The senior tenured faculty member carries it during academic convocations. It was first used at summer commencement on August 20, 1988.

The mace was designed and hand crafted by the late Charles R. Jedlicka, Associate Professor of Industrial Technology. The crown is a circular casting bearing the name of the University and date of

establishment, 1879. The circle features the lone star, the state emblem, in the center. Names of past University presidents with their dates of service are engraved on the brass collar below the crown.

The walnut staff is bound in brass and has a hexagonal head with inlays of pecan for the state tree, recessed brass medallions cast with designs for General Sam Houston, Austin Hall, Old Main, Bearkats, and the completion date of the mace. The holder base or stall is six-sided to match the mace head.

BACCALAUREATE GRADUATION WITH SPECIAL RECOGNITION

To reflect their achievement, graduates who have earned undergraduate academic excellence receive a gold cord at graduation plus an appropriate notation on their academic transcript. The gold cord indicates one of the following academic achievements: Summa Cum Laude, Magna Cum Laude, Cum Laude,

Degrees conferred Cum Laude, Magna Cum Laude, and Summa Cum Laude reflect an outstanding grade point average with a minimum of 32 semester hours earned in residence (resident classroom instruction). The distinction and corresponding grade point averages are: Cum Laude 3.50 - 3.66; Magna Cum Laude 3.67 - 3.85; Summa Cum Laude 3.86 - 4.00.

The Department Academic Distinction Program is an individualized learning experience that provides qualified students with a comprehensive introduction to meaningful research under the guidance of a designated faculty advisor.

Participation in the Honors College is based on a competitive selection process and provides outstanding academic opportunities and distinct undergraduate college experiences. Upon successful completion of the requirements of the Honors College—24 semester hours of Honors courses and two special seminars—the student’s academic transcript will indicate graduation “With Honors” and the student may wear an Honors medallion with academic regalia. To be designated as having graduated “With Highest Honors,” the student must also successfully complete a special senior project involving original research and/or an effort of creative expression.

NOTE: Semester credit hours earned in correspondence courses are not considered “resident classroom instruction” hours and are not used in determining the minimum semester credit hour requirement for academic honors: Cum Laude, Magna Cum Laude, Summa Cum Laude, Dean’s List, and President’s Honor Roll. However, the semester credit hours and grade points earned for correspondence courses are included in the calculation of the overall grade point average.

VETERANS AND MILITARY MEMBERS

Sam Houston State University is proud to recognize graduating Veterans and military members with a specially designed veterans stole. The orange stole features camouflage tips bearing the SH logo on the right and the American flag with Veteran designation

on the left. On behalf of the entire Sam Houston State University community, President Alisa White and the SHSU Administrative Officers extend their deepest gratitude and congratulations to these distinguished graduates.

GUIDELINES FOR GUESTS

Commencement is a ceremonious occasion honoring important educational accomplishments. Decorum and courtesy are important to you and your family, as well as your fellow degree candidates and their families. Students and guests are expected to maintain a measure of decorum consonant with the occasion.

Only the official photographer is allowed on the floor by the stage.

Candidates will cross the stage as listed in the program.

The scale represents the spirit of the Latin proverb, Jus est ars boni et aequi, Justice the art of the good and fair. The oak bough with 16 leaves symbolizes strength, while the olive branch with 20 leaves represents peace. The number of leaves recalls the year, 1620, when the pilgrims signed the Mayflower Compact, the first American political document, whose purpose was to preserve order by means of the principle of rule of law.

The simple shape represents a water droplet or the flicker of a flame. When duplicated, the droplet becomes a lotus flower bud symbolizing long life and purity, while growth is demonstrated by the progression from small to large. The final mark demonstrates the connection of organic and inorganic, moving beyond natural, suggesting science, digital and data. These are all direct representations of our mission.

The quill connotes the importance of creative endeavors while the ruler along the rooftops illustrates a concern with the scientific method. The arched lines represent communication and its wide-reaching effects, hovering over the home, which emphasizes the importance of human bonds and of the family's formative role for the individual. Overlooking all of the other symbols are four face profiles representing the celebration of the diversity that strengthens each of the disciplines within the college.

SHSU ALUMNI ASSOCIATION

The SHSU Alumni Association is your Bearkat connection and exists to serve and sustain the SHSU alumni network of over 140,000 alumni worldwide. Connecting with your alumni network is your most valuable SHSU asset—right up there with your degree. Ultimately, a strong alumni network enhances the value of your SHSU degree.

Download the new SHSU KatApp in the Apple store or Google Play store to manage your alumni association membership and enjoy member only discounts nationwide. Other advantages of membership include:

- Invitations to exclusive events
- Alumni publications and e-newsletters
- Traveling Bearkats program
- Networking and volunteer opportunities
- Regional clubs and special interest groups
- Alumni exclusive pre-game tailgates

Serving the best interest of our members is a top priority, and it is our hope that you find your membership worthy of continuing for years to come. Whether you become a life member at the new graduate

rate of \$500 (50% off) or choose to renew your membership each year, you are important to the Alumni Association and the university. We need your continued support each year to ensure SHSU remains an outstanding public university.

Follow us on Instagram and Twitter @ SHSUalumniassoc, Facebook @ SHSU Alumni Association

Visit your alumni association at the John R. Ragsdale Alumni Center, 1605 Sam Houston Ave., online at alumni.shsu.edu, or call 800-283-7478.
