**Sponsored by the

And the
Office of Graduate Studies**

Professors: Please encourage your graduate students to participate. Also, please attend the Exchange in support of your students and others from across the University.

The purpose of the Graduate Research Exchange is to provide opportunities for master's and doctoral students from across campus to share their in-progress and/or completed research and projects.

The Research Exchange will be held in the Teacher Education Center, Second Floor, Room 279, beginning at 1:00 p.m. on Wednesday, March 5, 2014. Projectors will be available in each of the presentation rooms.

This is a great chance for your students to practice their presentation skills. In addition, we will publish conference proceedings of all papers. There will also be cash awards for the most outstanding papers/presentations.

Submission guidelines for presentation are found on the following page.

E-mail as a Word document to: gradeducation@shsu.edu, or send via campus mail to Molly Doughtie, Box 2119.
