THE MALLON-SMITH FOUNDERS SOCIETY

The society commemorates the dedication and sacrifices of establishing Sam Houston State Normal Institute. Bernard Mallon, the first president, died 11 days after classes began on October 10, 1879. Hildreth H. Smith took over and guided the college until 1881.

★1879 SOCIETY

The society commemorates the university's founding and recognizes individuals who make planned gifts. Gift planning enables donors to make lasting contributions that are often larger than their ability to make an outright cash gift. Planned gifts include appreciated assets, bequests, gift annuities, trusts, life insurance and real estate.

CHALLENGING THE STATUS QUO

School of Nursing pursues new programs, improves academic standing

Starting something new is never easy, there are always obstacles to overcome. Since classes began in 2011, students, faculty and staff of Sam Houston State University's School of Nursing have seen their share of stalls and successes. Now, they are ready to grow even more into a field experiencing high demand.

From humble beginnings with a cohort of 20 nursing students and five faculty members, the Nursing program currently has more than 350 students, 37 faculty and staff members, and 386 graduates. With each class, Sam Houston State cements itself as a great name in healthcare.

Director Denise Neill is an expert

in meeting the challenges of getting programs started. She previously helped open four separate nursing programs as lead faculty and coordinator at the University of Houston – Victoria, Texas A&M – Texarkana and Southern Arkansas. Neill believes new students and staff bring fresh ideas
